## INTRODUCTION

---

"Have nothing in your houses that you do not know to be useful or believe to be beautiful." - William Morris

Born in Walthamstow, East London in 1834, William Morris was a pioneering poet, socialist, environmentalist and a leading figure of the Arts & Crafts movement. Championing the skill of craft traditions through his company, Morris & Co. (Est. 1861), he is regarded as one of the foremost creative figures of all time.

Morris's original designs, carefully stored in the Morris & Co. archive, are now available to share with your furry friend and loveable pooch. Three iconic patterns - Willow Boughs from 1887, Blackthorn from 1892 and Strawberry Thief from 1883 - ornament must-have accessories for your pet.

Across this pet beds and blankets range, a selection of William Morris's unmistakably rich colour stories makes these accessories a delight to behold - for both dog and owner!

Continuing William Morris's legacy, Morris & Co. have worked with Rosewood Pet Products to produce a range of lovingly crafted items that have versatility, beauty and utility at their heart.

Dating back to 1883, Strawberry Thief is one of Morris & Co.'s most iconic printed fabric designs.

Inspired by the thrushes who frequently stole strawberries from Morris' kitchen, this print is full of colour and character.

Despite the fact that this is one of the most expensive designs originally available from Morris & Co., Strawberry Thief became a firm favourite and continues to be one of the most well-loved designs to this day.

Blackthorn also features hawthorn leaves, and is typical of Morris & Co.'s tendency to draw inspiration directly from the English countryside.
